# APERITIVO

---

*Italy excels at many things but few as revered as the little crescent of space between 'work' and 'play' called Aperitivo.*

*We firmly believe a little something alongside your Aperitivo ignites the appetite and creates a desire for more. The very essence of Aperitivo represents a window into understanding the importance of ritual and leisure to Italy's identity.*

*So eager are we to bring this endearing social act to Piccolino, the snacks that typically accompany Aperitivo – known as 'Cicchetti' in Venice are on us between 4pm and 6pm!*  
*Buono Appetito!*
