AUTUMN SEASON 2017

RONNIE SCOTT'S JAZZ CLUB

Welcome to an evening with performers from legendary London music club Ronnie Scott's.

The club, which opened more than half a century ago, has hosted some of the world's greatest performers including Chaka Khan, Prince, Van Morrison and George Benson and now its artists are returning to Opera Grill for an eight week show season after a sell-out night in July.

Featuring a heady mix of jazz, blues, soul, funk and Latin fusion, the shows offer a unique taste of the best music the capital has to offer in Chester.
