APERITIF CULTURE AT PICCOLINO

Our bartenders are evangelists of the ‘aperitivo’ hours. Both a time-honoured tradition and a sophisticated prelude to any meal, the classic ‘aperitif’ is revered at Piccolino and is as much about the cultural ritual as it is about the drink itself. We believe the most compelling reason to enjoy an aperitif is the simple notion of time – to willingly spend an extended period to participate in a social act that urges us to take our time in a relentlessly fast paced world.
