

APERITIVO

Inspired By Italy, Made In Piccolino

Italy excels at many things but few as revered as the little crescent of space between 'work' and 'play' called Aperitivo.

We firmly believe a little something alongside your Aperitivo ignites the appetite and creates a desire for more. The very essence of Aperitivo represents a window into understanding the importance of ritual and leisure to Italy's identity.

So eager are we to bring this endearing social act to Piccolino, the snacks that typically accompany Aperitivo - known as 'Cicchetti' in Venice are on us between 4pm and 6:30pm! Buono Appetito!
